My dear Cousin Philip

It was a great pleasure for me to receive your letter giving me news of your family, and to know that you are now all in good health.

I shall be most happy to make the acquintance of your friends, and hope will be of some service to those ladys.

I am very fond of the Americans, first of all

because part of my
family are of that coun-
try, and also because
we have some dear friends
in America. Two of
them have died Mr Field
and Mr James Russell
Lowell, the celebrated poet
who as you know was
Minister at Madrid.
During his stay here
we became great friends
with Mr and Mrs Lowell
and there is scarcely passed
a day without seeing each
other. Mr Holland Day
who is a literary man
is also a great friend

of ours, he lives in Norwood Mass.

My brother Luis has passed some months with us, and is now gone to Bruxelles as Secretary of the Spanish Legation.

My nephew Enrique son of my sister Isabel has been for some months in delicate health and this will prevent him from finishing this year his profession of Civil Engineer.

The grieves Enrique
